

**Sagar Institute or Research Technology and Science,
Bhopa Department of Electrical and electronic (EX)
Research Publication in 2018**

- (1) Paper of Prof. Nitesh Babele and his M.Tech. scholar Rohit Rajput titled “Study of Multi-Band Microstrip filter based on Metamaterial for ISM band applications” has been Accepted in International journal of Research, Technology and Management (ISSN: 2455-2250)
- (2) Prof. Nitesh Babale faculty of EC Department published paper Titled “Design And Analysis Of Microstrip Siso, Simo And Mimo Antenna“ published in "International Journal Of Electronics, Communication & Instrumentation Engineering Research And Development” (IJECIERD); Impact Factor (JCC) (2017): 6.7847;61.75; Vol - 8, Issue - 2; Edition: April 2018.
- (3) Prof. Kaushal Nayak published paper titled “Renewable Energy Solution using Solar Hybrid Power Generation for Telecommunication Base Station” in IJITE, Jan-feb 2018, Impact Factor 3.87.
- (4) Prof. Nitesh Babele published paper Titled “Review Paper on OFDM Based Under Based Under- Water Communication” in IJRSTM, Nov 2017, Volume 7, Impact Factor 3.87.
